

## Press Release

Press Release No.08/2025

Date: 05.02.2025

**On behalf of the Chennai Drinking Water Board, under the Manali Zone, Manali Water Supply Project, the work of connecting the main water supply pipe of the Manali overhead reservoir tank to the water distribution pipe located at the Kamaraj Salai junction will be carried out from 6 pm on 06.02.2025 to 6 am on 07.02.2025 (12 hours), therefore, the supply of water through pipes to Idayansavadi, Sadayankuppam, Kadapakkam and Manali areas under the Manali Zone will be stopped.**

### **Chennai Water Supply Board Information**

On behalf of Chennai Water Supply Board, under the Manali Zone, Manali Water Supply Project, the main water pipe of the Manali overhead reservoir tank is to be connected to the water distribution pipe located at Kamaraj Salai Junction, therefore, the operations of Dwaraka Nagar Water Distribution Station and Manali Pudunagar Water Distribution Station will be temporarily suspended from 6 pm on 06.02.2025 to 6 am on 07.02.2025 (12 hours). Therefore, the supply of water through pipes to some of the following areas under Manali Zone is being suspended.

<b>Zone</b>	<b>Areas</b>
Zone-2 (Manali)	Idayansavadi, Sadayankuppam, Kadapakkam, Manali

Therefore, the public is advised to store sufficient amount of drinking water as a precaution. To obtain water through trucks for emergency needs (Dial for Water), you can register and obtain it using the board's website address <https://cmwssb.tn.gov.in>. Furthermore, the supply of water through trucks to areas without water supply and areas with low pressure will be carried out as usual without any interruption. Also, for additional information, you can contact 044-4567 4567.
