

Press Release

Press Release No. 84/2024

Date: 30.11.2024

In anticipation of the monsoon season, the Chennai Metropolitan Water Supply and Sewerage Board has undertaken the following measures

A 24-hour surveillance and control center will be operational in all 15 zones of the Greater Chennai Corporation to address complaints related to water supply and sewage removal. Citizens can contact the following numbers to report water supply and sewage-related complaints.

Surveillance and Control Center	044-45674567 (with 20 lines) Toll-Free Telephone Number: 1916
---------------------------------	--

Additionally, a total of 642 sewage removal machines, including 299 dredging machines, 73 high-speed sewage suction vehicles, 225 jetting machines, and 45 sewage vehicles called in from other districts, have been deployed for sewage removal work. A total of 2,149 field workers are engaged in water supply and sewage removal work in the 15 zones.

Press Release: Joint Director / Public Relations Manager
Chennai Metropolitan Water Supply and
Sewerage Board.
