

INDEMNITY BOND FOR TEMPORARY CONNECTION

I/We _____ S/o _____
aged _____ years, residing at No. _____

_____. Chennai _____. We
request the Metro Water (CMWSSB) to provide temporary water/sewer connections for
the building construction purpose for which we shall bear all the necessary expenses by
observing formalities prescribed by the Metro Water Board.

In this connection. We indemnify to the Metro Water Board as follows:

1. The temporary water/sewer connections are for the use of personnel involved in the construction activities and for the construction purpose only.
2. The temporary water/sewer connection given for the usage of construction workers and building construction purpose shall be disconnected at our own cost as soon as the construction of building is completed or one year from the date of connection whichever is early.
3. We are aware of the CMWSS Board's right to disconnect the water/sewer at any stage, even within one year period, without any prior notice/ We shall not dispute Metro Water's right in this regard.
4. After completion of the building, we will apply for regular water/sewer Connections and pay necessary charges to the Board, separately.
5. In the event of failure to do so, Metro Water can disconnect the temporary water/sewer connections without any intimation to us and we will abide by all the applicable rules and regulations.
6. water/sewer charges will be paid regularly every month as prescribed by the Board for the temporary connection so sanctioned.
7. The road cutting restoration charges will be borne by us for this temporary connection as per actual claim by the Corporation/Highways Department.

8. We will not misuse the water and sewer connection by discharging materials such as pumping of Sub-soil water and dumping solid wastes and other materials etc., into the sewer system. Any damage to the system will be adequately compensated by us.
9. The water shall be used by the personnel involved in the construction works and for the construction purpose and shall not be misused like supply to outsiders.
10. I/We hereby declare that my/our premises does not fall under water body/water course, I/We agree to bind any action taken by the competent authority in future in this regard.
